South Coast Paper  
Columbia, South Carolina

Thank you for subscribing to the Mid-States Minority Supplier Development Council's (Mid-States MSDC) Subscription Services. Subscription Services provide an opportunity for MBEs to stay connected to opportunities, networking, training, and development with the Mid-States MSDC (territory covers Indiana, Central Illinois, and Eastern Missouri).

Subscription Services run concurrently with your home council's certification. The subscription expiration date is the same as your certification expiration date. Please feel free to contact the designated Mid-States MSDC staff for further information or to activate any of the services. Your subscription entitles you to the following:

- 10% Discount on Workshops/Tradeshows, etc. Automatic – [Denika Thomas](#)
- Industry Groups - Contact [Luther Taylor](#)
- Council Newsletter - Automatic
- Three Way Meetings with Corporations (up to four per year) Contact – [Denika Thomas](#)
- Loan Program for Certified MBEs – Contact [Luther Taylor](#)
- Accelerate 100+ Program – [Daryle Johnson](#)

Please note that your certification through your home council is a national certification and can be used in any of the 23 service areas across the country where there is an affiliate of the National Minority Supplier Development Council (NMSDC) with corporations that are member corporations and who recognize NMSDC certification. Some Councils and corporate members may require that you “subscribe” to Councils outside of your home council to participate in programs, services and contracting opportunities.

Your subscription to Mid-States MSDC is an extension of services you receive as a nationally certified MBE and gives you a more significant opportunity for local engagement and access.

Sincerely,

Carolyn Mosby
