Thank you for subscribing to Mid-States Minority Supplier Development Council's (Mid-States MSDC) Subscription Services. Subscription Services provide an opportunity for MBEs to stay connected to opportunities, networking, training, and development with Mid-States MSDC. Our footprint includes Central Illinois, Indiana, and Eastern Missouri.

Subscription Services run concurrently with your home council's **Southern Region MSDC** certification; therefore, the subscription expiration date is the same as your certification expiration date.

Please feel free to contact the designated Mid-States MSDC staff for further information or to activate any of the services. Your subscription entitles you to the following:

- 10% Discount on Workshops/Tradeshows, etc. Automatic – Marquita Powell Marquita.Powell@midstatesmsdc.org
- Industry Groups - Contact Daryle Johnson daryle.johnson@midstatesmsdc.org
- Council Newsletter - Automatic
- Three Way Meetings with Corporations (up to four per year) Marquita Powell Marquita.Powell@midstatesmsdc.org
- Certification Consulting and Partnerships for Certified MBEs – Angela Franklin Angela.Franklin@midstatesmsdc.org
- Accelerate 100+ Program – James Knight james.knight@midstatesmsdc.org

Please note that your certification through the **Southern Region MSDC** is a national certification and can be used in any of the 23 service areas across the country where there is an affiliate of the National Minority Supplier Development Council (NMSDC) with corporations that are member corporations and who recognize NMSDC certification. Some Councils and corporate members may require that you "subscribe" to Councils outside of your home council to participate in programs, services and contracting opportunities.

Your subscription to Mid-States MSDC is an extension of services you receive as a nationally certified MBE and gives you a more significant opportunity for local engagement and access.

Sincerely,

Daryle L. Johnson
